

3L's Clinic: Mastering The Foundation (3 Levels)

October 12-14, 2021 ~ Blackfalds, Alberta

Becoming a horseman is about feel and fluid transitions from one moment to the next. Whether you've taken one previous clinic with Jonathan or several and are wanting to advance, this clinic will develop your flexibility moving through the 6C's and show how to bring together elements of the Jonathan Field Training Scale. Learn the benefits of having a program while maintaining the freedom and imagination to put the pieces together in a way that best helps your horse!

"Sometimes it's hard to tell whether you're working on the start or the finish" ~Ronnie Willis~
